

Summary Of Annually Budgeted Funds

Below are the total resources & expenditures for all annually budgeted funds. In the General Fund, \$9.92 million in Fund Balance has been appropriated. The FY 11 costs for the existing current projects in the Capital Projects Ordinances (page 245) are included in the General Fund Debt Service (page 204) and in the operating costs of the related departments. As stated on page 24 under Debt Management, all debt for the County is shown in the General Fund. The costs for the Capital Improvements Plan (page 255) are for future projects. The estimated General Fund annual needs and their impact on future budgets are shown by year on pages 266-267.
