

Pesticide Safety School is intended for people who wish to obtain a North Carolina pesticide applicator license. A NC pesticide license is required for applicators who are applying pesticides for pay or anyone using restricted-use chemicals. Please visit [pesticidesafety.ces.ncsu.edu](http://pesticidesafety.ces.ncsu.edu) for more information about pesticide schools, including a schedule for upcoming Pesticide Schools.

Pesticide school lasts 1 ½ days, starting at 8:30 AM each day. Please arrive early if you need to register for the school. You can pre-register for the school and order manuals online at [pesticidemanuals.com](http://pesticidemanuals.com). It is recommended that you order manuals early so you can review them before the school. Please allow at least two weeks for the manuals to arrive. [Click here for the manual order form](#) if you prefer to order by mail.

The pesticide exams will be held at 1:00 PM on the second day of the school, Pesticide exams are administered by NCDA and exam registration must be completed separately from registration for pesticide school. To pre-register for the exams, [click here](#).

Pesticide school is hosted by the NC State Pesticide Safety Education Program with the help of N.C. Cooperative Extension and the North Carolina Department of Agriculture and Consumer Services (NCDA&CS).

Visit [pesticidesafety.ces.ncsu.edu](http://pesticidesafety.ces.ncsu.edu) for more information about pesticide schools. Any questions about obtaining a pesticide license can be directed to Andrea Johnson by emailing [pesticide-edu@ncsu.edu](mailto:pesticide-edu@ncsu.edu) or calling 919-515-3113.
