FREQUENTLY ASKED QUESTIONS

College students in North Carolina may register to vote in their school's county instead of their home county if they do not have a "clear intent to return" to their original address after graduation. Alternatively, they may maintain their registration in their home county and vote there with an absentee ballot.

- **If I register to vote in Forsyth County, will my registration in my North Carolina home county be removed?**

Yes

- **Will where I register to vote affect my scholarships, financial aid, or tuition status?**

Registering to vote in Forsyth County establishes residency for voting purposes only. Contact your school's admissions or financial aid office for more information.

- **What address should I use to register if I live in a dorm?**

For WFU dorm residents, you will use the dorm name as the residential address. Dorm residents from the other local schools will use the physical address to your respective college/university. You must also provide your mailing address, whether it's your campus box or home address.

- **Where can I find information about registering to vote from home?**

You may visit <https://www.bestcolleges.com/resources/voting-by-state/> for more information.

- **How do I vote if I'm studying abroad?**

You may vote an overseas absentee ballot. Visit www.fvap.gov to learn more about overseas absentee voting.
