Department Updates

Tanglewood Park Golf Clubhouse Opening

We're thrilled to announce the opening of our brand-new golf clubhouse at Tanglewood Park! Beginning the morning of September 9, all golf and pro shop operations will officially move into the new building. While the opening dates for the attached event spaces, grill, and bar are still to be determined, we'll share updates as soon as they're set. Starting September 9, golfers with tee times should check in at the new clubhouse, located where the old clubhouse stood, prior to the temporary pro shop. Happy golfing, and remember to "hit 'em good"!

Tanglewood Park Shelter 4 Playground Renovation

Families visiting Tanglewood Park now have a brand-new space to enjoy. Forsyth County Parks and Recreation has officially opened a new playground located near Shelter 4 in the back half of the park, renovating another family-friendly amenity to one of the county's most popular outdoor parks.

The new playground features a variety of modern play structures designed for children of multiple age groups. The area is designed to complement the natural surroundings of Tanglewood Park, giving families a safe and inviting spot to enjoy the outdoors.

Shelter 4, located nearby, offering rental site for picnics, reunions, and community gatherings. With the renovation of the playground, families and groups now have even more options for recreation, making it easier to pair events with fun activities for kids.

Families are encouraged to visit soon, explore the new play space, and take advantage of all the park has to offer.
